

**Amendments to the Specification**

Please insert or add the following new paragraph after the paragraph ending on page 12, line 30 and before the paragraph beginning on page 12, line 32 of the Application as originally filed:

Cultures of BHK-RR-B51E (ATCC deposit number PTA-5257) and HeLa-RR-B51S (ATCC deposit number PTA-5258) were deposited in the permanent collection of the American Type Culture Collection (ATCC), 10801 University Blvd., Manassas, VA 20110, U.S.A. on June 12, 2003 under the terms of the Budapest Treaty, and accorded the accession numbers PTA-5257 and PTA-5258, respectively. The subject culture deposits will be stored and made available to the public in accordance with the provisions of the Budapest Treaty, i.e., they will be stored for a period of at least 30 (thirty) years after the date of deposit, or five years after the most recent request for a sample, whichever is longer. The depositor acknowledges the duty to replace the deposits with a living culture of the same should the deposited culture die or be destroyed. All restrictions on the availability to the public of the subject culture deposit will be irrevocably removed upon the granting of a patent disclosing them.
